LATE NEWS

This Newsletter was written on 1st July 2005.

Since then, there has been the announcement of the euphoria of the London Olympics on 6th July 2005, and today, 7th July 2005 the tragic news of the London Tube Bombings.

My deepest sympathy goes out to all families involved.

Having re-read my Newsletter of 1st July 2005, my advice remains unchanged.
